J. W. Jones Makes a Strike Which Promises Much for Contiguous Properties.

Special to The Tribune.

RICHFIELD, July 1 .- After a lapse of about nine years, J. W. Jones, who made the first discovery on the Surprise group of claims on Gold mountain, has made another strike which is of great importance, not only to the Surprise itself, but to a good scope of the Gold

Mr. Jones has been following the fortunes of mining since his last opera-tions on Gold mountain in Arizona and old Mexico. He has kept in touch with the development of the Piute county section, however, and the reports of its most promising development inclined him to the belief that the Surprise was located in an ideal locality to contain some of the good ore bodies which are making other contiguous reports. making other contiguous properties fa-

The new strike shows a ledge of

about eight feet in width of decom-posed quartz and porphyry, the same as the croppings of the neighboring properties. The vein can be traced quite a distance from the point of discovery to the south lines of the Sevier

There is no doubt in the minds of competent mining men that this dis-covery will lead to the uncovering of another bonanza on the mountain. It also improves the outlook for a num-ber of other promising properties along the same zone of mineralized country from the Sevier and Annie Laurie mines on the north side of Gold mountain through to Mt. Baldy, a distance of several miles. The new strike will undoubtedly stimulate the owners of the property to inaugurate a thorough and systematic exploration of its vir-

# WORLD MOURNS HAY'S DEATH

## Grief Is Deep at the Late Home.

Place of Pride With Villagers.

Funeral Party Leaves Today for Cleveland, Where Service Will Be Held-Roosevelt to Attend.

NEWBURY, N. H., July 1.-The body of Secretary of State John Hay, whose unexpected death early today has caused sorrow throughout the land and evoked expressions of sympathy and regret the world over, lies tonight in a room of "The which quaint, gambrel-roofed mansion for fourteen years has been the summer home of the Hay family.

Arrived a Week Ago. Just one week ago tonight the Secretary arrived at this village from Washingion wearled with the cares of State and anticipating "a long summer's rest." night the same launch in which Mr. Hay made the short trip from Newbury to the landing at "The Fells" conveyed rela-tives of Mr. Hay to the cottage, where they brought sympathy and help to the Stricken woman and her only son.

Crushing Blow Fell. In that week came first the news that the Secretary had been selesed with a sud-den and alarming attack calling for ex-pert medical treatment, then that he had passed through the early stages of re-covery and reached a condition promising in every respect ultimate recovery. Then the crushing blow fell.

Silence and Sorrow There. At "The Fella" there is deep grief where there was welcome, at Newbury there is stlence and sorrow where there was pride that the distinguished summer resident had again come among the plain townspeople, and throughout the Nation there is sadness and regret at the loss of one of her greatest statesmen.

Son Issues Statement

It was the middle of the forenoon be-fore there was any evidence at The Felis that the prostration caused by the sudden and terrible experience was abating. It was then that Clarence Hay and the at-tending physician issued a statement re-viewing the last illness and giving the circumstances attending the death. Only Wife and Son Present.

The only members of the Secretary's family at "The Folls" when the end came were Mrs. Hay and Clarence. Mrs. James A. Wadsworth of Genesso, N. Y. a daughter, has been ill recently, and had not been at Lake Sunapee this season Mrs. Payne Whitney, another daughter, is on her way to Europe.

Wishes Are Observed. Wishes Are Observed.

The brief announcement was made in the forenoon that the body probably would be taken to Cleveland on Sunday and the request was issued that the family be permitted to remain in uninterrupted quiet until late in the afternoon, when dotails of the funeral plans would be announced. Those wishes were strictly observed. Only undertakers and messengers carrying telegrams entered the grounds until toward evening, when Mr and Mrs. Samuel Mather arrived from Gloucester, Mass. Mrs. Mather is a sister of Mrs. Hay.

Many Messages Arrive.

Many Messages Arrive. From early forenoen until late tonight he arrival of messages was almost conilmous. They came from an parts of the world, but, in accordance with the wishes of Mrs. Hay, the names of the sendors and the texts of the messages were for the most part withheld. It was learned however, that among them were researces from President Roosevelt, Pres-

### HOW TO FIND OUT

Fill a bottle or common glass with your water and let it stand twenty-four-hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains the linen it is evidence of kidney trouble; too frequent desire to pass it, or pain in the back is also con-vincing proof that the kidneys and bladder are out of order.

What to Do. What to Do.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unwine or beer, and overcomes that un-pleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need

the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50-cent and \$1 You may have a sample bottle of Swamp-Root, the great kidney remedy, and a book that tells all about it, both sent absolutely free by mail. GREAT FALLS, Mont. July 1.-The Bank of Belt, located in the town of Belt, twenty-four miles south of this city, was burglarized last night. The big safe was blown open and about \$1900, largely in sliver, was secured.

selections, vocal and instrumental.

Madame Fox is the leading vocal teacher in the Chicago Conservatory of Music. Mrs. Lizzie Thomas-Edward was last year one of her star pupils, and Madame Fox has expressed the opinion that had Mrs. Edward remains until the close of the year she would have won the diamond medal for excellence.

Knute Erickson has just returned to Salt Lake for the summer, after a successful season in theatrical circles in the large Eastern cities Mr. Erickson is well known in musical circles here and his friends will be glad to learn of the success he has achieved. As Daffy Dan in the Seminary Girl' Mr. Erickson made his greatest hit, and will star in the same part next season. Here are a few of the pleasant hings said of Mr. Erickson by the Boston press:

over every one was glad to know who he was "-Herald."
The character that is really original and offers the best opportunities is that of the escaped lumatic Daffy Dan, which is played by Mr. Erickson so cleverly and shows so much thought and situdy on his part that one questions whether he rather than the authors should not be credited with its success. Mr. Erickson has a catch line, 'You don't know who I am, which he is continually repeating when questioned as to his identity but the amount of fun which he succeeds in extracting from this phrase is remarkable. 

-Travecript.
Mr. Erickson is a son of C, A. Erickson, superintendent of Liberty park.

At the reception given by Mrs. Fisher

At the reception given by Mrs Fisher Harris and Miss Apatha Berkhoel last Wednesday afternoon, Mrs. Alfred Peters sang a composition in French by Acqua, which was one of the most beautiful numbers on the programme. The selection is a very difficult one, and Mrs. Peters's rendition of it called forth very hearty compliments from the guests.

A special song service will take the place of the regular service at the First Methodist church this evening. The programme will be in charge of Miss Berkhoel, and the soloists will be Mrs. Alfred Peters, Miss Agatha Berkhoel, Miss Beatrice O'Connor and Miss Beng Red-

Mrs. Harry B. Windsor will sing Bruno S. Huhn's "Hear Me When I Call" this morning at the First Presbyterian church At St Paul's church this evening a quartette, including Mrs Martha Royle King, Miss Hallie Foster and Wilhard Foster, will sing a "To Deum" composed by the last-named singer, which is said to be a very creditable groduction.

Miss Clara Hall will sing "O. Eyes That re Woorv" (Brackett) at St. Paul's hurch this morning

Madame Ancella Fox was an interested listener at the regular practice of the tabernacie choir Thursday evening. She was delighted with the numbers given, especially the "Inflammatus," in which the solo work was done by one of her pupils, Miss Lizzle Thomas-Edward Madame Fox was also greatly pleased with Mrs. Stephens's arrangement of "Oh, My Father," which the choir always gives with very telling effect.
